The duration of the award of the scholarship shall be ordinarily for the approved tenure of the course in which the candidate has got admission.

a) The award once made will be tenable from the stage at which it is given to the completion of course subject to good conduct and regularity in attendance.

b) It will be renewed from year to year within a course which is continuous for a number of years provided the scholar secures promotion to the next higher class irrespective of the fact whether such examinations are conducted by a University or the Institution.

c) If a scholar is unable to appear in the annual examination owing to illness and or on account of any other unforeseeable event, the award may be renewed for the next academic year on submission of medical certificate and/or other required sufficient proof to the satisfaction of the Head of the Institution and his/her certifying that the scholar would have passed had he appeared in the examination.

d) If according to the Regulations of a University/Institution, a student is promoted to the next higher class even though he/she may not have actually passed in lower class and is required to take examination of the junior class again after sometime, he/she will be entitled to scholarship for the class to which he/she is promoted if the student is otherwise eligible for scholarship.

14.8   OTHER CONDITIONS:

(i) The scholarship is dependent on the satisfactory progress and conduct of the scholar. If it is reported by the Head of the Institution at any time that a

scholar has by reasons of his/her own act of default failed to make satisfactory progress or has been guilty of misconduct such as resorting to or participating in strikes, irregularity in attendance without the permission of the authorities concerned etc., the authority sanctioning the scholarship may either cancel the scholarships or stop or withhold further payment for such period as it may think fit.

(ii) If a student is found to have obtained a scholarship by false statements, his/her scholarship will be cancelled forthwith and the amount of the scholarship paid will be recovered, at the discretion of the Department of Empowerment of Persons with Disabilities, Government of India. The student concerned will be blacklisted and debarred for scholarship in any scheme forever.

(iii) A scholarship awarded may be cancelled if the scholar changes the subject of the course of study for which the scholarship was originally awarded unless such change in course of study has been approved by the Department of Empowerment of Persons with Disabilities.

(iv) A scholar is liable to refund the scholarship amount at the discretion of the Department of Empowerment of Persons with Disabilities, Government of India, if during the course of the year, the studies for which the scholarship has been awarded, is discontinued by him/her.

(v) Maintenance allowance is payable from 1st April or from the month of admission, whichever is later, to the month in which the examinations are completed, at the end of the academic year (including maintenance allowance during holidays), provided that if the scholar secures admission

after the 20th day of a month, the amount will be paid from the month following the month of admission.

(vi) In case of renewal of scholarships awarded in the previous years, maintenance allowance will be paid from the month following the month up to which scholarship was paid in the previous year, if the course of study is continuous.
