## EC MEETING (Executive Committee)

After a gap of almost one and a half the Executive Committee met on 30.7.2021 to discuss the following

- 1) Because of the Covid 19 period and the aftermath we lost some valuable members for whom silence was observed and were not able to fulfil the commitments as of the Executive Committee.

3) As most members were senior citizens some found it ~~physically~~ difficult to attend the meetings as members of the Executive Committee under such circumstances it became imperative to fill up the posts left vacant by those members. Hence it is resolved in the Executive Committee of the Old Students Association (Alumni) of SBW (Auto) College that the places left vacant by the members be filled up who will continue till the next General Body Meeting.

To,

The Principal,

Shaikabala Women's Autonomous College

Cuttack.

Madam,

It was gracious of you to have invited the Old Students Association, one of the stakeholders of this College, for a discussion on the improvement and development of this institution. It was all very fine and thank you for the same.

The Alumni Association has however arrived at the conclusion that all welfare is meaningless if subjected to the loss of premises that the institution is threatened with at the moment. Development cannot be at the cost of this College, the Centre of Women's Education.

Therefore right now our single point agenda is to save and preserve the ground on which this Vidya Mandir stands and not hand over even a bit of land of this institution to the govt. at any cost.

The Association strongly disagrees with the unfair and unreasonable demand of the government regarding acquisition of land of this college.

The govt. if it so wishes can consider for an underground parking place at the nearby empty govt. land. Why strip this NARI ADWITIYA VIDYA STHALA for such an ignominious act of conversion to a parking place.

Regards

*Puspa Samal*

SECRETARY

Yours Sincerely

*Gopa Das*
