Shailabala Women's Autonomous College, Cuttack

Sub: **-Letter of appreciation**

Madam,

The residents and committee members of Ikyata and people residing in Pattapul/sutahat, Cuttack are pleased to appreciate the endeavor of the students of your college in some community activities in our locality.

- I. The students from Home Science department had cautioned the women in our street about health and nutrition issues. They had advocated for institutional birth which has shown a fruitful effect.
- II. They also explained the expected mothers the benefits of breast feeding.
- III. The students of the Teacher Education Department had taught the Primary students with activity-based learning. This has enhanced the enrolment ratio in our schools and Anganwadi's. Overall development of the children has been a marked impact.
- IV. The students from Sociology Department had spread awareness on several community diseases like Dengue, Cholera etc. The residents have started using mosquito nets and safe drinking water.
- V. The NSS volunteers had run Swachh Bharat Abhijan and cleaned the sewage in our area. They also sensitized the residents on use of power saving equipment.
- VI. The YRC volunteers had distributed medical kits to our residents.
- VII. Several other students form your college had contributed significantly on the awareness of voting as citizen rights. The enumeration has increased.

All residents of the locality had appreciated the effort of your students.

We hope the noble deeds by your students and teacher will continue in the following days to come.

With regards,

Gen Secretary

*I. Subhramanyam*
