Departmental Activities 2022-23**

Study Tour :

An excursion for field experience was conducted on 18/03/2023. Our department had given an opportunity of nature study, Observation of historical places and collaboration effect through this tour from Cuttack to Bhattarika on the way to Deojhar. We tried to explain the importance of village culture and relevance of the conservation of forest as parts of education sustainable development. It was enjoyable with tiffin, snacks & meals on the way. This was an experience of both Education & Entertainment for our lessons.
